Augustine Colebrook will be presenting workshops on Hemorrhage and Non Pharmaceutical inductions. She always makes learning fun and informative! She is coming to us from her amazing home in India where she is making remarkable advances for women through her growing midwifery work. If you have never heard Augustine teach before you will be wowed by her ability to present fascinating facts in a practical and easy to learn way.

Andie Wyrick is a CNM from Houston, Texas where she practices midwifery care through her thriving birth center. She has an intense love of women that comes out through her gift of teaching. She will be sharing her knowledge of Skin Issues and Vaginitis in Pregnancy. She's a needed source of knowledge and I am confident that you will not only learn some awesome facts, but will be entertained as well!
